EUGENE IS READY FOR FRUITY HAWAIIAN BOWLS

Big Kahuna Bowl offers açai treats

BY VANESSA SALVIA

Açai bowls — those fruity concoctions like smoothies you eat with a spoon — may be a trend but they certainly aren't a fad, say the three owners of Big Kahuna Bowl. Christopher Tennis, Elliot Gruver and Howard Choe Miyashiro who were all born on Oahu.

"We've all been getting açai bowls there for the last 10

years," Choe Miyashiro says. "It's only just getting popular in Oregon now, though."

Choe Miyashiro has lived in Oregon since 2002, moving first to Portland and then Eugene, where he's been for the past eight years. "We feel like Eugene is ready for it," he says. "But it was a leap of faith. We all put everything we had into the opening."

The açai berry comes from Brazil, where açai bowls are typically nothing more than the berry puree and banana. "It was in Hawaii that people started adding all the tropical fruit to it," Choe Miyashiro says.

At Big Kahuna Bowls, diners choose from a base of thick puree of purple açai or bubblegum pink dragonfruit, called *pitaya*. The bowls are topped with a rainbow of fruit including banana, strawberries, blueberries, mango, pineapple, kiwi and dried goji berries.

Add delicious goodies such as granola, coconut flakes, honey, bee pollen and flax, chia or hemp seeds, and you have a delicious and filling meal or treat.

"We all eat açai bowls religiously," Gruver says. "It's an alternative to ice cream or it's a healthy breakfast. You can eat it for any meal really, and feel satisfied."

All bowls are customizable with options for dietary restrictions such as gluten-free granola, almond butter and agave syrup in place of honey. Organic options are important to the owners — dry goods come from Hummingbird Wholesale and ingredients are Northwest-sourced whenever possible.

Big Kahuna Bowls opened March 2, and though they haven't done much to get the word out, customers have found them nonetheless. "The first weekend was really rough!" Choe Miyashiro says. "We've worked out the kinks since then."

While Tennis remains in Hawaii and Gruver is in Eugene for now, Gruver will likely return to Hawaii and open a Big Kahuna Bowls there as well. Choe Miyashiro plans to add cold-pressed juices in a grab-and-go case in the store, and he hints at the possibility that there might be another Eugene location of Big Kahuna Bowls in the future.

Big Kahuna Bowls is open 10 am - 7 pm Tuesday to Sunday at 1351 Willamette Street. Find them on Facebook at facebook.com/B.K.Bowls.

PICNIC PROVIDERS

For when you want to ditch the dining room BY VANESSA SALVIA

MARCHÉ PROVISIONS PREPARED PICNIC MEAL

PHOTO BY TODD COOPER

What makes the perfect picnic? Aside from a memorable locale, isn't it all about the food? But just any food does not a perfect picnic make. Picnic food should be easy to transport and easy to eat, using fingers or minimal silverware. Nothing fussy is allowed, but elegant is excellent.

Where do you go to get these perfect foods? Here's a run-down.

CEDAR CREEK CAFE AND BBQ

Oakridge is a natural stopping point if you're heading

from Eugene to any of the falls or lakes accessible from Highway 58. Make a pit stop at the Cedar Creek Cafe and BBQ, located right off the highway as you enter Oakridge.

The café smokes its own brisket, ribs, pork, tri-tip and turkey. It make its own breads, and gets some loaves from Marché Provisions in Eugene (read on for more about that spot for picnic fare). Grab containers of any of the barbecue sides — potato salad, baked beans, pasta salad, cole slaw — and any meat by the pound. Fill up your growler and don't turn down the Marion berry pie. There's also a coffee hut, and during the summer it's open 7 am to 9 at night.

MARCHÉ PROVISIONS

Located in the ground floor of the 5th Street Public Market, Marché Provisions has no shortage of specialty foods to select, from wine to cheese to jams, and they're making picnics easier than ever by offering wooden crates holding a pre-selected picnic meal for four people for \$50.

"We'll put together cheese, olives, crackers, sliced meats, fresh fruits and chocolates," says Sam Rollins, specialty foods buyer at Marché. "Along with a half a bottle of wine to get the party started."

Rollins says Provisions will have a couple prepared crates on hand, or customers can call ahead and order one. The keepsake crates also hold reusable silverware, napkins and bamboo plates.

For customers who want to put their own basket together, Provisions can still do some of the work. Simply tell the staff that you're planning a picnic, and they'll cut wedges of cheese into bite-sized chunks and arrange in individual boxes. Stop by about 3:30 pm daily for fresh-from-the-oven breads.

"We can put together a picnic as simple or as elaborate as the customer would like," Rollins says. "It just takes us about 15 minutes to put it together and we love doing it."

LONG'S MEAT MARKET

"Let's start with condiments!" says Loretta Frye, who owns Long's Meat Market with her husband, Robert Frye. Frye is excited to run down the many different flavors customers can choose from to add some zip to their meat and cheese tray, from gourmet chipotle mayonnaise to horseradish or honey mustard. "Oh, and the olives!" she says. "Many different varieties of olives and sweet peppers, all in jars."

Robert Frye had been a butcher at Long's for 31 years before he and Loretta purchased it last fall. The Fries created something for themselves they call the Picnic Pack, and now customers can get it too — slices of hard salami, *mortadella*, *soppressata* and *finocchiona* (a salami flavored with fennel) along with pepper jack and smoked Gouda cheese. Add large dill pickles, bread or crackers and packets of nuts, and you're all set.

Located in the Southtowne shopping center at 28th and Oak Street, Long's also has beer and cider, and that perfect picnic pairing — Bandit wine in a box with a screw-on top.

"We've got pretty much anything you would want for a picnic," she says.

THE KIVA

The Kiva excels at bulk ingredients and sports a fantastic deli case. Get just the amount you want of dried fruits and nuts and trail mixes in bulk. Place an order for a sandwich, but if you're in a hurry, call ahead. Build your own six pack of beer or choose from a wide selection of kombucha.

A fixture at West 11th Avenue and Olive Street, the Kiva is small but carries produce as well as housewares, which means you can get a cucumber, a cloth napkin and a hand-poured beeswax candle all in the same stop.

FARMERS MARKETS

Eugene and Springfield farmers markets aren't just for vegetables. The Lane County Farmers Market runs 9 am to 3 pm Saturdays, April 1 through Nov. 11, and Tuesdays from May 2 to Oct. 31 from 10 am to 3 pm at 8th Avenue and Oak Street. The Springfield Farmers Market, held at 5th & A Street, is open 3 to 7 pm every Friday through September. At both places, buy your berries, bread, cheese and honey directly from local farmers and producers. ■

CHEF CRYSTAL PLATT

FEED THE SENSES

Solve Eugene's brunch problem
at **Lion and Owl** BY WILLIAM KENNEDY

Step into Lion and Owl Brunch, a new food truck located on 5th and Washington, and immediately smile. Lion and Owl is in a converted sleek, silver 1977 Airstream that owner Kristen Hansen calls a “land shark.” The truck began its life in Portland, as Lebanese Scrooge, a food truck open daily from 4:20 to 4:20 (*Why? — Because Portland!*)

“Maybe it was the 4:20 thing,” Hansen says, but Lebanese Scrooge didn’t work out and the Airstream fell into disuse. Eventually Hansen and her wife, business partner and head chef Crystal Platt, rescued the beached shark, bringing it to Eugene.

Hansen says she and Platt met at Marché, where they spent 10 years. Hansen’s passion is for wine and champagne — what would a brunch place be without mimosas? And Platt’s passion is for food.

The couple honeymooned in Europe, exploring a whole new world of breakfast and brunch options. “We’re so stuck here,” Hansen says, recalling that when she and Platt spoke of planning a brunch place, everyone asked: “So, biscuits and gravy?”

“No,” was Hansen’s reply. And Platt doesn’t understand why so many consider breakfast and brunch a chore of a meal. “There’s so much to showcase,” she adds, referring to her menu of small but satisfying plates, featuring everything from fiddlehead ferns to morel mushrooms to crayfish.

While already retrofitted for food service, Hansen and Platt added their own impossibly charming touches to the interior of the Airstream — creating the look and feel of a retro diner with an edge of Northwest earthiness. Succulents hang in jars, suspended from the ceiling, and vintage tunes play on the sound system.

Lion and Owl offers both indoor and covered outdoor seating. Hansen supplies guests seated outdoors with blankets for the unpredictable Oregon weather. The cozy interior is instantly intimate. You find yourself in conversation with Hansen, Platt and other patrons.

One guest is visiting from Napa. Someone else brings up bitter Northwest coffee and IPAs. “Why are we so bitter?” is asked. The response? “It’s the weather!”

Begin with the miso banana bread with farmer’s cheese and rhubarb angelica jam. Light and airy, the bread floats on tart sweetness, remaining tethered to the ground by the cheese’s savory and heavenly fluff. Next try the potato in the style of ham hock with peas, spring onion, mint porcini tea and sour hazelnut cream. Marvel how the potato, deceptively braised in the style of ham, is a cunningly delicious substitute for the real thing.

Then, for something on the savory side, move on to sausage-stuffed morels with boudin blanc, green garlic sabayon and miner’s lettuce. Sabayon is a light dessert or sweet sauce believed to be of Italian origin and made by whisking egg folks, sugar and wine.

For beverages, Lion and Owl offers espresso, juices and a broad wine selection sold by glass or bottle and 16 ounce cans of Rainier — not the champagne of beers but the Northwest equivalent.

“It looks like champagne,” someone points out. “And it tastes like Miller!” I add.

And, of course, for the requisite brunch mimosa, choose from a wide selection of champagnes, blood orange juice as a mixer adding to Lion and Owl’s color palette perfectly.

FENNEL LEEK BREAD PUDDING

Next off the menu, go with the open-faced omelet with asparagus, fiddlehead ferns, violet leaves and lardo — a cured fatback. The net effect for the taste buds, as well as sight and smell, is something like spending a warm spring morning in an Oregon garden — pleasantly face-first in flowers and greenery.

Lastly, there’s the fennel leek bread pudding with crayfish, steelhead roe (with a delightful texture. They pop in your mouth!), lemon verbena and brown-butter bisque. Hansen says the dish is inspired by a summer on the Rogue River, and the dish is sumptuous and delicious, a brilliant mix of water, land and air—transporting you directly to the riverside, filling you with memories of lazy summer days in water.

Which is perhaps what’s most remarkable about the food at Lion and Owl: the use of unlikely, locally sourced ingredients with posh, exotic twists as well as Platt’s deft hand with creams and sauces and Hansen’s welcoming service, creating a truly Northwest experience for all five senses.

“See you tomorrow!” a fellow diner says while paying her bill. “Will you come here every day?” I ask.

“Yes,” she says. But that could’ve been the champagne talking.

Lion and Owl Brunch is open 10 am - 4 pm Thursday to Monday at 501 Washington Street. For more information see lionandowlbrunch.com.

WARM RABBIT TERRINE

SAUSAGE STUFFED MORELS

CHICKEN NINJA!

At **Buck Buck**, chicken is life
BY WILLIAM KENNEDY

BUCK BUCK'S MIKEY LAWRENCE
PREPARES HOT SAUCE

Butchering — cutting down an animal for food — is an art, a calling, a passion. But for Mikey Lawrence from wildly popular food truck Buck Buck, it's his life. "It's all I have," Lawrence says.

In fact, he's so dedicated, Lawrence has a small meat cleaver tattooed next to his right eye. After working for years in Japanese food and most recently at Belly in downtown Eugene, Lawrence took steps to fulfill the dream of owning his own place.

Last winter he opened Southern-style Buck Buck with business partner Edgar Arrellano in the parking lot of Oakshire Brewing in the Whiteaker neighborhood.

Lawrence grew up "an Army brat" and, while living in Turkey as a boy, he remembers an old woman, after butchering a chicken, saying: "Buck Buck die!" Lawrence felt the name was perfect for his chicken-centric food cart.

Lawrence calls opening a food truck in winter a little crazy, but during warm summer months, being partnered with Oakshire allows patrons to enjoy Southern-style cooking and Northwest beer in Oakshire's plentiful outdoor seating.

While he is from Montana, Lawrence's grandma grew up in North Carolina, and he uses many of her recipes for everything from his fried chicken to his light, fluffy biscuits. Chicken is the star on Buck Buck's small, manageable menu, as well as kale, mashed potatoes (so creamy they're almost like warm potato ice cream) and chicken and waffles.

But the undisputed champion dish is Buck Buck's chicken biscuit, a mouthwatering piece of fried chicken served between two fluffy biscuits with creamy sauce packing a hint of heat and (the dish's true stroke of genius) sweet, caramelized onions.

When presented (like much of Buck Buck's hungry person's portions) the chicken biscuit can be intimidating.

BUCK BUCK'S CHICKEN BISCUIT WITH A KALE SALAD (WITH CHICKEN) AND AN OAKSHIRE BREW

PHOTOS BY TRASK BEDORTHA

But commit to the chicken biscuit, and the first thing that hits your senses is the crunch.

And if you're a crunch addict like me, you might lose some sense of reality as you go back in for more, slurping the tender chicken from its breaded armor. The sandwich does fall apart, but you'll have no trouble mopping up the scraps of onion, gathering up the last bits of breading and licking your fingers while wondering if, despite the size and against your better judgment, you could handle another serving.

And Lawrence says that, due mainly to social media raves, Buck Buck's business has taken off. Back in April, Lawrence and Arrellano served chicken to Snoop Dogg when the rapper was in town for a show the Cuthbert.

Snoop said, "This is really good chicken," Lawrence recalls in a dead-on, stoned Snoop impression.

Buck Buck is open 12:30 - 10 pm Tuesday to Saturday at 207 Madison. For more information find Buck Buck on Facebook.

PATIO LIVING

At the **McKenzie General Store**

BY ANNA GRACE

Tucked into the trees at the edge of Highway 126 along the McKenzie River is a vintage storefront. Don't let the quaint exterior deceive you. Out back, there's a party going on.

Home to an eclectic market, local brews and a fantastic chef, the Obsidian Grill at the McKenzie General store is the destination eatery to check out this summer. Mingle with locals, mountain bikers, climbers, hikers, fisher-folk and rafters as they grab coffee and a snack on their way out to adventure, or catch a beer and schnitzel on the way home.

I caught up with co-owners Brooke Kyle, Chris Kyle and Georg Adelt to get the backstory on this new venture.

"It was the love of the river that brought us together," Chris Kyle says, explaining how three couples met through Adelt's river guide course at High Country Expeditions. A lot of rafting and several delicious meals later, the Kyles, Georg and Jessica Adelt, and Harry and Cindy Kleiner came together to launch the Obsidian Grill at the McKenzie General Store.

"We wanted a place for families, where you could get some great food, have a glass of wine," Brooke Kyle says. Between the three couples there are nine children running about. To that end, the Obsidian Grill is very family friendly.

From the fenced-in sitting area, "so your toddler can run around," to soft-baked pretzels on the menu, this is an easy place to bring kids. Dogs and bikes are welcome, too. "It's a great place to hang out after a day's adventures," Adelt says, "and plan the next one."

With owners hailing from Louisiana, Texas and Germany, the menu is varied and filled with family recipes.

"When I was dating Chris," Brooke Kyle says, "I wanted to snag him. So I found the very best Caesar salad dressing recipe and made it for him."

This tactic worked, as the couple is still together some 20 years later. You can try this recipe, along with Kyle's New Orleans muffaletta, Texas BBQ sauce with marionberries, and authentic German bratwurst. The food is locally-sourced and organic whenever possible.

"We're just really proud of everything that's on the menu," Adelt says. "We want to stay focused on the quality of the food. Good food, and good atmosphere."

The shelves of the market are filled with lux staples: locally crafted granola, chocolates, artisan meats and cheeses, vegetables from nearby farms, hand-selected beer and wine. "The wine selection is a work in progress," Chris Kyle says, noting that the selection has "a Northwest bias, with great wines at all price points."

With live entertainment, movie nights and long summer evenings coming up, the patio at the McKenzie General store is the perfect place to kick back after a long day.

All the owners are busy professionals with children, who value good food and friends in the company of their families. As Brooke Kyle says, "Sitting in the courtyard as the sun sets over the mountains, listening to live music — it's just heaven."

McKenzie General Store is located just off Hwy 126 at 91837 Taylor Road. Open Sunday - Thursday 7 am - 9pm, and Friday and Saturday 7 am - 10 pm.

THE COMPANY DOING JUICING RIGHT

GREEN #1,
DUSK TILL
DAWN AND
GOJIADÉ

Fresh Press Northwest takes cold press
to new heights BY JANICE DANIELS

PHOTOS BY TODD COOPER

If you think cold-pressed juices only taste like Brussels sprouts, you'll be amazed to hear one special juicery in town even has child admirers.

Jon Bertolone, owner of The Fresh Press Northwest organic juicery, took his first shot at juicing to help a friend who was battling cancer. From there it grew into something bigger than he ever imagined.

Bertolone started delivering juices to his friend's home via the "milkman method," in which he would pick up empty jars as he delivered fresh ones. What wasn't originally intended to be a business endeavor ended up charming many, spearheading Bertolone into a one-man juicing operation.

"People started talking about my juices and delivery method, and it ended up overtaking my entire kitchen,"

Bertolone says. "It eventually consumed my other job, so I decided to jump full-on into it."

While he aims to serve juices that taste delicious, what's equally important to Bertolone are juices that *feel* good. After all, the shop's sign does read: "Our mission is nutrition."

"One of the most common misconceptions is you can juice anything from the kitchen sink — things you like, or things you think are healthy — when in actuality you can put foods in there that cancel each other out," Bertolone says. "In our juices we try to combine the absolute perfect combination of fruits, vegetables, herbs and extracts for a complete nutritional option."

Using mostly locally-sourced ingredients, the menu currently features 10 creative juices with such tantalizing

names as "Love Your Liver" (carrot, beet, apple, ginger) and "Green Energy" (carrot, celery, spinach, apple). The menu also offers fresh gourmet smoothies, as well as daily cleanse packages which "reset, renew and revive" the body.

"Juicing has been an incredible transformative in my life, and I enjoy sharing its magic with Eugene," Bertolone says.

Bertolone's favorite drinks for summer are "Dusk Till Dawn" (grapefruit, lemon, honey, and cayenne) and "Sun Salutation" (pineapple, lime, mint, and liquid chlorophyll), which he says are especially replenishing after a hot summer hike.

The Fresh Press NW is located at 76 W Broadway, open 10:30 am - 4 pm Monday through Friday, and on Saturdays you can catch them at Saturday Market! Closed on Sundays.

North: 7am-9pm daily. All cards

SPICE OF INDIA

The Spice of India restaurant in Cottage Grove is an unexpected place to experience Indian food not on typical menus. The owner, Kajal Sidhu, who has owned the restaurant for two years, is from Punjab, an Indian state in the far northwest of the country bordered by Pakistan to the west and the state of Jammu and Kashmir (one state that is commonly called J&K) to the north.

Her menu features traditional Punjabi dishes like tandoori chicken, lamb and goat. While many Indian restaurants serve tandoori items, Punjab is where the cooking style originated. Punjab is rich in dairy products, so many of the Punjabi dishes contain cheese and cream.

“People at our restaurant like our Punjabi style goat curry,” Sidhu says. That dish features goat simmered with grated apple, raisins and almonds in a creamy sauce. Diners can also try lamb in the same mildly spicy, sweet and savory, creamy, rich sauce.

“They also like *saag* with *maki di roti*,” she says. At Spice of India, a puree of spinach (saag) and mustard greens is served with *roti*, a flat, unleavened bread made, in this instance, of corn flour. *Maki* is a Punjabi word for corn.

Sidhu suggests finishing your meal with a cup of Punjabi chai. “Our Indian-style tea is really popular here,” she says. “It’s made with cardamom, fennel seeds, Darjeeling tea and milk.” — *Vanessa Salvia*

except AmEx. Mostly sold by weight. \$\$.

ANGKOR CAMBODIAN CAFÉ

Savada San took over ownership of Lane County's first and, as far as I know, only Cambodian eatery in September 2016. Since then, he's added new dishes to the menu every month and rotated other dishes in as specials. "I haven't made big changes but I'm trying to add more variety and more traditional foods," he says.

Like *kor ko*, which he recently added as a lunch special. "It's really traditional," San says. "It's probably the number-one dish that represents our country."

Kor ko is similar to a curry, but its main ingredient is a paste of lemongrass ground with galangal (a rhizome with a taste like peppery ginger), garlic, lime leaf and roasted rice, also ground into the paste. The roasted rice lends a toasty quality to this sauce missing from other curries.

"Lemongrass is my favorite ingredient to use because of the citrus flavor and the smell," San says. "It's really citrusy." Use a stone mortar and pestle or a food processor to finely grind its tough stalk and mix it with other spices. It's used to flavor marinades, soups and sauces. "You can also use it raw and put it in a stir fry," San says.

If you plan on eating the lemongrass, process it to be as fine as you can make it. Sometimes, in Thai soups such as Tom Kha, you will see chunks of lemongrass floating in the broth. In that case, it is not meant to be eaten.

"If people want to taste lemongrass they should try the *kor ko*," San says. "Or a curry. Without lemongrass we cannot make a curry."
